

On January 8, 2019, ACPA administration reported to the school board that we have received a total of 15 reports of harassment, intimidation, and bullying between August 2018 and December 2018, over the course of the first semester.

Out of the 15 total reported incidents, 12 involve instances of harassment. Three of these reported incidents involved sexual harassment and three took place on social media.

Out of the 15 total reported incidents, 3 involve intimidation and bullying.

These reports were made by staff, students, parents, and guardians. Administration investigated all reported incidents and responded to these issues in a variety of ways, including but not limited to: conferences with administration, students, parents and guardians, out-of-school suspension, involvement of law enforcement when appropriate, restorative justice practices, and referrals to our Intervention Specialists and School Counselors when behavioral interventions and modifications are recommended to prevent future incidents.
